

SMOKING PROJECTS

Directions: Choose two activities from the menu below. The activities must total 100 points. Place a check box next to each box to show which activities you will complete. All activities must be completed by _____ (even if they will be presented later).

20 POINTS

- Create 20 concentration cards (10 matching sets). Both pictures and words can be used. Information should be placed on just one side of each card. Include an answer key that shows the matches. All cards must be submitted in a carrying bag or envelope
- Create an acrostic poem. The target word (either CIGARETTE or SMOKING) will be written down the left side of the paper. Each descriptive phrase chosen must begin with one of the letters from the target word. Each descriptive phrase chosen must be related to the target word.

50 POINTS

- Make a song or rap that discourages smoking by explaining the negative effects. Lyrics must be turned in neatly written or typed. Be prepared to present on _____
- Create a bulletin board display about smoking; be sure to include the effects. Must fit within a 4' x 4' square. Must include at least 10 details. Must have a title. Must have at least five different elements (posters, papers, questions, pictures, etc)
- Create a crossword puzzle about smoking and the respiratory system. At least 20 significant words or phrases should be included. Develop appropriate clues. Include puzzle and answer key. Can be created on the computer.

80 POINTS

- Create a children's book encouraging children to not smoke. Must have a cover with the book's title and students' name as author. Must have at least 10 pages. Each page should have an illustration to accompany the story. Should be neatly written or typed. Can be developed on the computer.
- Create a puppet show. Must be between 5-7 minutes long. The script must be turned in before the play is presented. Your show may be recorded to use as an example for future classes. Should have props and puppets. Will be presented in class either on _____, depending on time.
